Subject: Fig/NoHo amendments

Hi Brian,

We were reviewing the wage amendments you passed along last week for Fig and NoHo and noticed some other added items besides the wage portion.

We'd like to request the just the wage portion of the amendments, not the other added items (#2/3 for NoHo, and #2 for Fig). Doing this will allow us to sign and return quickly.

Also, for the overtime/holiday rate sentence please amend to read as other versions in the past have. For example, 'Client will observe the following holidays ____, ____, ____ and if an officer works the client will be billed at OT/Holiday rate' or something like this.

Thanks,
Aaron

Subject: Fig pay rates

Hi Hector,

At our next Fig board meeting we're going to have an item on our agenda to raise pay rates to \$13 start effective November 1st. In short, all steps would rise \$1 per step.

One of the questions was what do we get from the company for the bill rate we pay. Can you send me some basic bullet points?

It would be stuff like payroll, HR, recruiting, background checks, baton/handcuff/pepper spray training, baton/handcuff/pepper spray equipment, etc.

Thanks,

Aaron
